**Re: Ex Parte, Implementation of the Pay Telephone Reclassification and  
Compensation Provisions of the Telecommunications Act of 1996, CC Docket  
No. 96-128.**

Dear Ms. Dortch:

Today I had a telephone conversation with Henry Thaggert of the Wireline Competition Bureau about the size composition of MCI's switch-based reseller customers who voluntarily choose to refrain from giving MCI payphone call completion data.

I explained that 99% of this customer class are very small and account for only 7% of our payphone compensation payments.

If you have any questions please contact me at the number listed above.

Sincerely,

**Larry Fenster**
